MANHOOD, HOW LOST, HOW RESTORED. Just Published, in a Sealed Envelope, A LECTURE ON THE NATURE, TREATMENT AND RADICAL CURE OF SPERMATORICHUEA, or Seminal Weakness, Sexual Debliity, Nervousness and Involuntary Emissions producing Impotency, Consumption and Mental and Physical Debliity.

BY ROB. J. CULVERWELL, M. D., By Rob. J. CULVERWELL, M. D.,

The important fact that the awful consequences of self-abuse may be effectually removed without internal medicines or the dangerous applications of caustics, in struments, medicated bougles, and other empirical devices, is here charly demonstrated, and the entirely new and highly successful treatment as adopted by the celebrated auther fully explained, by means of which every one is enabled to cure himself perfectly, and at the least possible cost, thereby avoiding all the advertised nostrums of the day. This Lecture will prove a boon to thousands and thousands.

NOTICE.

In Store and for sale by BINGHAN, MULLEN, & CO.

TAKE pleasure in announcing to my old friends and accustomers that after an absence of two years, I have again returned to resume the practice of the PHOTOGRAPHIC ART in all its branches, having purchased the interest of my brother in the old established Gallery in Union street, and having spent four months in New York the past Summer to obtain fully all the late improvements in the art. I have painted, responsed and enlarged the suite of Rooms throughout. That my facilities are now better to produce first-class work than most Galleries can boast o, and conduce to the comfort of our patrons. I trust not only to sustain the proud position the Gallery has heretofore austained, but to elevate it o a still higher standard. I have also engaged the zervices of Mr. COOK, one of the best Photographers in the world, who took the Pictures which obtained the first premium at the World's Fair in London, in 1851, and I am determined not only to make this the leading Gallery in the State, but my work shall not be surpassed North or routh, and now introduce to the public the following new styles:

Pastel Portal Pictures, life size,
Photographs on canvass, life size,
Viatting Cards, full length plain,
Autograph Photographs, 18 taken at one sitting.
Stereoscopes, on glass or paper,
I still continue to make the Melainotype and Ambrotype as heretofore. The above styles are all entirely new in this city, except the Autograph Card, when but one made at a sitting. All who are in want of anything in my line are politely invited to give my a call before visiting elsewhere, when I will prove by occular demonstration the above facts.

Respectfully.

F. N. HUGHES.
